Final Exam

M312 Final Exam, Question 5

Problem:

Given that we don't change the **chunkSize** settings, which of the following is/are true of jumbo chunks?

Attempts Remaining: **Correct Answer**   

Check all answers that apply:

☐ Jumbo chunks can be moved automatically by MongoDB.

☐ Jumbo chunks can be split automatically, if the shard key allows it.

☒ Jumbo chunks can be split manually, if the shard key allows it.

☐ Jumbo chunks can be moved manually.
