

Chapter 1: Driver Setup

MongoDB URI

Problem:

Given the following MongoDB URI:

```
mongodb+srv://brigitte:bardot@xyz-1234.srv.net/admin
```

COPY

which of the following statements is true ?

Attempts Remaining: **Correct Answer**

Choose the best answer:

- ☐ There are **1234** nodes in the **xyz** Replica Set
- ☐ The user **bardot** is trying to authenticate on database **admin**
- ☒ The password used to authenticate is **bardot**
- ☐ The server **xyz-1234.srv.net** is a member of the Replica Set the user is trying to connect to

Correct!
