## Chapter 4: Patterns (Part 2)

### Schema Versioning Pattern

---

#### Problem:

Which one of the following scenarios is the best candidate for the use of the Schema Versioning Pattern?

Attempts Remaining: **Correct Answer**

Choose the best answer:

I want to avoid downtime when upgrading my schema.

I can schedule a window of downtime long enough to migrate the documents to the new version.

I want to keep track of the changes to my documents.

I have billions of documents.

I have many obsolete documents.

Correct!
